⚠️ **OFFICIAL TAKEDOWN NOTICE**

Phishing Activity Report

facebook.webseodesigners[.]com

Hello Team at **Porkbun LLC**,

We detected unauthorized activity associated with a domain/website hosted on your infrastructure. Due to immediate threats, we request your abuse department to **urgently investigate** the domain, its owner, and the hosted content.

Based on forensic evidence, this resource is **confirmed or highly suspected** of being used for phishing activities. We strongly recommend considering the possibility that your client's account may have been compromised or hacked, leading to the unauthorized use of their services for malicious purposes.

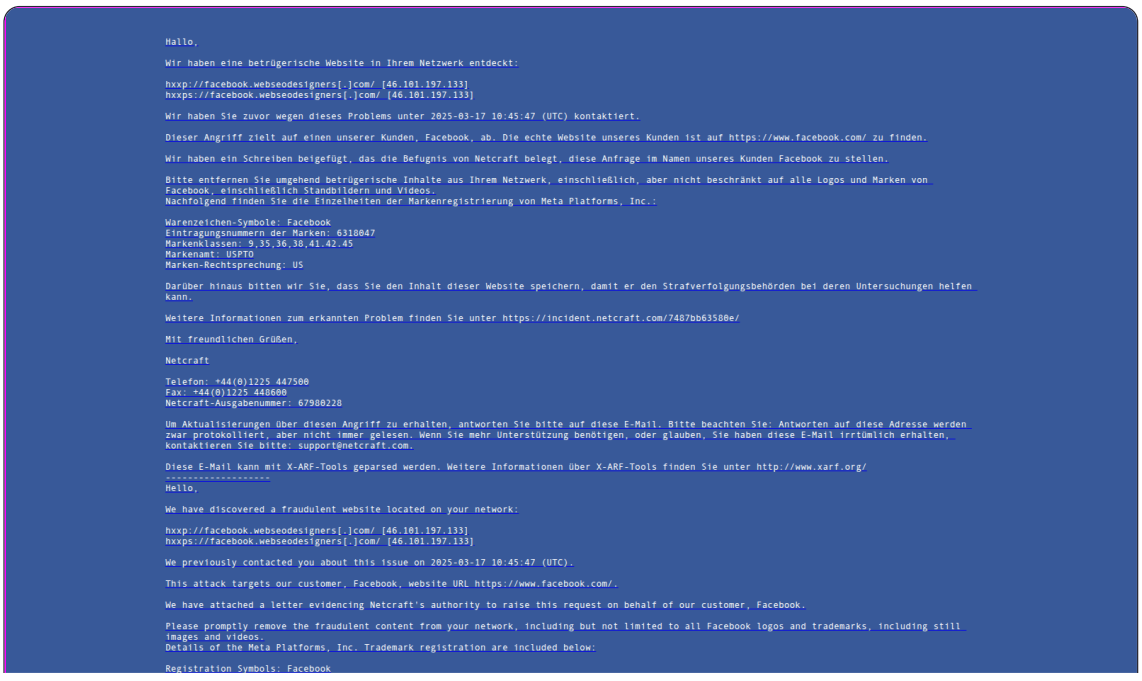
💣 Visual Confirmation



Hallo,

Wir haben eine betrügerische Website in Ihrem Netzwerk entdeckt:

hxxp://facebook.webseodesigners[.]com/ [46.101.197.133]
hxxps://facebook.webseodesigners[.]com/ [46.101.197.133]

Wir haben Sie zuvor wegen dieses Problems unter 2025-03-17 10:45:47 (UTC) kontaktiert.

Dieser Angriff zielt auf einen unserer Kunden, Facebook, ab. Die echte Website unseres Kunden ist auf https://www.facebook.com/ zu finden.

Wir haben ein Schreiben beigefügt, das die Befugnis von Netcraft belegt, diese Anfrage im Namen unseres Kunden Facebook zu stellen.

Bitte entfernen Sie umgehend betrügerische Inhalte aus Ihrem Netzwerk, einschließlich, aber nicht beschränkt auf alle Logos und Marken von Facebook, einschließlich Standbildern und Videos.
Nachfolgend finden Sie die Einzelheiten der Markenregistrierung von Meta Platforms, Inc.:

Warenzeichen-Symbole: Facebook
Eintragungsnummern der Marken: 6318047
Markenklassen: 9,35,36,38,41,42,45
Markenamt: USPTO
Marken-Rechtsprechung: US

Darüber hinaus bitten wir Sie, dass Sie den Inhalt dieser Website speichern, damit er den Strafverfolgungsbehörden bei deren Untersuchungen helfen kann.

Weitere Informationen zum erkannten Problem finden Sie unter https://incident.netcraft.com/7487bb63580e/

Mit freundlichen Grüßen,

Netcraft

Telefon: +44(0)1225 447500
Fax: +44(0)1225 448600
Netcraft-Ausgabenummer: 67980228

Um Aktualisierungen über diesen Angriff zu erhalten, antworten Sie bitte auf diese E-Mail. Bitte beachten Sie: Antworten auf diese Adresse werden zwar protokolliert, aber nicht immer gelesen. Wenn Sie mehr Unterstützung benötigen, oder glauben, Sie haben diese E-Mail irrtümlich erhalten, kontaktieren Sie bitte: support@netcraft.com.

Diese E-Mail kann mit X-ARF-Tools geparsed werden. Weitere Informationen über X-ARF-Tools finden Sie unter http://www.xarf.org/

Hello,

We have discovered a fraudulent website located on your network:

⚖️Official Notification & Policy Violations

This serves as a formal notification. Per the **ICANN Agreement (3.18)**, you are required to investigate credible abuse complaints.

Violations Specific to Your Policy:

- **Prohibited Activities - Illegal Activities:** Phishing sites directly violate prohibitions against fraud and illegal operations.
- **Universal Terms of Service - Illegal Use of Services:** The observed activity constitutes illegal use and is grounds for immediate suspension.
- **Unknown Law - International Anti-Cybercrime Regulations:** Phishing activities violate international cybercrime conventions and Unknown's domestic fraud laws.

Please be advised: this notification confirms that a **timestamped entry for this domain has been made** in our public **PhishDestroy Destroylist on GitHub**. This serves to inform the community and create a public record of the report.

We request that you take appropriate measures to investigate your client and the content in question. Your prompt action is crucial for preventing potential harm to internet users.

🤝

Our Commitment to a Safer Internet

We highly value providers who take prompt action against malicious activity. Your cooperation is critical for a secure internet.

Thank you for helping to protect thousands of users from becoming victims! ❤️

Why don't we use your web forms or provide additional clarifications? **Learn more →**
